

Spread the word about our wonderful school and reduce your tuition by up to **\$1,000!!***

We are always looking to increase our enrollment at St. Francis and everyone can help us out. Word of mouth is a great recruitment tool and you can help by spreading the word about all that St. Francis de Sales has to offer. Perhaps you know of a family that might be interested in attending St. Francis in the coming year. Your recommendation could lead to a great education for the children and a reduction in your tuition bill for the following year.

Requirements:

- Refer a family not currently enrolled in the Pre-K program.
- Families must enroll in grades K-6.
- Referred family must remain registered and pay all tuition for a full school year.

St. Francis de Sales

Regional Catholic School

220 Henry St. Herkimer, NY 13350
